All REA Branches

Dear Branch Secretary/Chairman

The original launch of 9000+ bottles of Sapper Ale proved very successful, so much so that the brewery has indicated that it would be prepared to produce another 20000 bottles if the Corps can use that many.

The responses from REA branches for the first tranche was disappointing, only 15 branches placed orders. We are hoping for a better response with this second tranche of Sapper Ale – please bear in mind that subject to orders from Corps units and REA branches, this may be the last production run by the brewery.

The price will remain the same as the first tranche at £1.85 per 500ml bottle. Delivery arrangements will be the same as this year, that being REA Group HQ's will pick up the beer from Chatham, and branches will pick up from their Group HQ's. That is the best we can do without incurring massive delivery charges.

We are unable to accept orders of less than six packs per branch and there are eight bottles to a pack. So, pool all your requirements and let us know how many packs of *Sapper Ale* you require. Because of brewing deadlines, orders should be with HQ REA by close of play 22 February. All orders must be in writing either by letter or email. We are unable to accept telephone orders.

I look forward to hearing from you in the near future with your order. Act soon – do not delay.

Original Signed

N Jordan
